One Week International Faculty Development Program On Advanced Research Methods in Finance from 27 Apr 2020 to 1st May 2020

Dear Colleague,

Greetings from New Delhi Institute of Management!

New Delhi Institute of Management (NDIM) regularly hosts International and National intellectual events such as MDPs, FDPs and Round Table Conferences with international and national guests of global repute. NDIM has been declared "Best Industry-Linked B-School of India" third year in a row, by the AICTE, Ministry of HRD (Government of India) and the CII (Confederation of Indian Industry) after a nationwide yearlong survey of all the 10000+ technical and higher education AICTE approved institutions across India under 19 parameters. NDIM has been declared Best also by ASSOCHAM on 20th May 2017, 17th February 2018 and 21st February 2019.

And "Having been declared Best in India 3 years in a row 2017, 2018 and 2019; NDIM has been elevated and declared as the First and the only "Mentor Institute" in India in the Management category by the AICTE and CII".

New Delhi Institute of Management is organizing a Three Day Intensive Faculty Development Programme on "**Advanced Research Methods in Finance"** on **27th – 1st May 2020 in online mode**. The proposed Faculty Development Program seeks to update the latest knowledge of research methods in terms of tools and techniques by means of providing participants with a hands-on introduction to the basic concepts associated with **Research in Finance: Quantitative and qualitative and its significance in Finance research**.
