Research Scholars, Academicians, and Management experts from the Corporate, Public Sector and the Government are invited to contribute research papers for publication in the coming issue of our NDIM Journal.

The institute has embarked upon the publication of the Research Journal " Review of Professional Management" (ISSN:0972-8686) way back in 2003 with the objective of dissemination of knowledge and new developments in diverse areas of management science. Since then, it is one of the most recognized referred journal. Recently, the journal is listed in Ulrich periodical Directory Published by Pro Quest, USA. The journal has emerged as a forum for management professionals serving the Government, Industry and Academia to share their experiences and findings in the interdisciplinary areas of management. Research activities occupy an important place at NDIM to forge a strong relationship between research and its applications in real life business situations.

Authors are requested to observe following rules for submission:

1. Research paper should be original work of the author. The journal has the system of Plagiarism Check .
2. Manuscripts of Research Papers should be accompanied by an abstract (within 200 Words) and an introduction of the authors (name, designation, affiliation) on the separate sheet.
